Dear Brother,

Thank you very kindly for receiving your invitation to send a delegate to your upcoming synod in september. As you know, it is not our practice to send a delegate every year.
Rev. D. van der Zwaag gave us a good account of his visit.

This time we want to express our warm sympathy with your synod and your churches by means of this letter.

We hope the Lord will grant you an upbuilding and blessed synod.

May the Lord Christ guide and bless you in all the meetings of your synod, and may the decisions that will be taken, build up the church and glorify the Lord.

With christian greetings,

Rev. C. A. den Hertog
