

Report of the Synodical Archivist

Esteemed Brethren,

The Denominational Archives continue to be housed in a safe storage facility within the building of the Reformed Church of Palmerston North.

During the inter-Synodical period, there has been very little activity to report on. The Archives have continued to grow in volume as more material is sent in from various people and Synodical Committees from around the country.

There have also been a small number of requests for information from the archives during this time, which have been actioned as appropriate.

The annual budget for the Archives has been \$500 per annum for a number of years, and that level of spending has never been reached. I would therefore like to recommend that the budget be reduced to \$200 per annum.

Recommendations

- 1. That this report be accepted.*
- 2. That the budget be reduced to \$200 per annum.*
- 3. That the Synodical Archivist be reappointed for a further term.*
